

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Tony Bernardi & Tom Hawkinson
DOCKET NO.: 04-27521.001-I-1 & 04-27521.002-I-1
PARCEL NO.: 08-22-402-089-1001 & 08-22-402-089-1002

The parties of record before the Property Tax Appeal Board are Tony Bernardi and Tom Hawkinson, the appellants, by attorney William I. Sandrick of the Sandrick Law Firm, LLC, Chicago; and the Cook County Board of Review.

The subject property is composed of two, attached one-story masonry constructed industrial/warehouse type buildings that are part of a three-unit building. The building has approximately 40,000 square feet that has approximately 15% office space, and is divided into two spaces. The building is approximately 33 years old. The improvements are located on a 65,717 square foot site in Elk Grove Village, Elk Grove Township, Cook County.

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellants submitted an appraisal estimating the subject property had a market value of \$1,000,000 as of January 1, 2004. The appellants also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$446,400, which reflects a market value of approximately \$1,240,000 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-89 industrial condominium property of 36%. Based on this evidence the appellants requested the subject's assessment be reduced to reflect the appraised value.

(Continued on Next Page)

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

Docket No.	Parcel No.	Land	Impr.	Total
04-27521.001-I-1	08-22-402-089-1001	\$53,230	\$126,770	\$180,000
04-27521.002-I-1	08-22-402-089-1002	\$53,230	\$126,770	\$180,000

Subject only to the State multiplier as applicable.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The appellants in this appeal submitted an appraisal in support of the contention that the subject property was not accurately assessed. The appraisal estimated the subject property had a market value of \$1,000,000 as of January 1, 2004. The subject property had a total assessment of \$446,400 reflecting a market value of \$1,240,000 using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-89 industrial condominium property of 36%. The subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellants' argument as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$1,000,000 as of January 1, 2004. Since market value has been determined the 36% level of assessment for class 5B industrial property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
